*\* If you would like to submit the copyright agreement form electronically, you must have the full Adobe Acrobat program (the free Adobe Reader will not work). Complete each field and type your name in the signature line. Do a "save as", renaming the PDF document. Please do not "save" the PDF and email it to us because it will be a blank form. Once you type your name in the signature line, you must then state in the e-mail that you typed your name in the agreement, and are thereby accepting the terms of the agreement. Otherwise, a hand-signed Copyright Transfer Form must be submitted to the SP editor and forwarded to ACI.*
